FUTURES OF **CITIES**

---

# 13 YEARS OF ACHIEVEMENTS

---

**Ljubljana Forum** is an annual gathering that combines knowledge and experience of city governance and defines key areas, visions and strategies of the future development of cities.

## OBJECTIVES OF LJUBLJANA FORUM

- **to offer a framework for cooperation, networking and learning** among various stakeholders: political decision-makers, city leaders and city administration, investors, businesses, civil society, researchers, academics and students.
- **to empower this network of stakeholders to create prosperous future of cities** through researching, developing and implementing the best practices of urban development.
